Comments by congregation secretary (Please describe why this is a special need.):

CAREFULLY READ THE FOLLOWING INFORMATION BEFORE FILLING OUT THIS FORM

1. Those having special needs that are not provided for by the local congregation and who desire to obtain accommodations through the convention rooming department should print PLAINLY all required information on the above form and give it immediately to your congregation secretary for him to check, sign, and mail to the rooming department address shown on the back of this form for the convention you will attend. Please do not wait until you arrive in the convention city to make request for your room.

2. ONE SPECIAL NEEDS ROOM REQUEST FORM should be filled out for each room. Only the names of the persons who will occupy the ONE ROOM should appear on the form. Please have this point in mind; otherwise, if the group is too large for one room, the rooming department will have to divide the group and assign persons to different rooms as it deems necessary.

3. Prices of rooms vary. Please state the amount you desire to pay for the room, inserting this figure in the right-hand column of the chart above. (There are VERY FEW ROOMS at the minimum rates shown on the form above.)

ROOMS IN PRIVATE HOMES: Please note that private home rooms are intended for those truly needing such economical accommodations due to their circumstances. Most householders have only one spare room that will accommodate two persons. Therefore, wherever possible for persons to room together, this should be done, as it will conserve accommodations. Since it is difficult to find accommodations for large groups at one place, it will be to your advantage to arrange yourselves in *small groups*.

In checking the date on which you plan to reach the convention city, be sure you arrange to arrive on that day, as reservations are made

according to your request. Upon arrival, go to your room assignment as quickly as possible. If, for some unavoidable reason, you will be unable to arrive as scheduled, notify the householder by phone or mail when you will arrive, as the householder is expecting you on that date. If you arrive in the convention city late at night or very early in the morning, please do not contact the householder then, but wait until a reasonable hour, unless you have previously advised the householder of the unusual arrival time. It is advisable to arrange for a daylight arrival, so rooming accommodations, etc., can be located easily.

Please accept the room assignment that is given you, because the householder will be notified you are coming on the date you give above. Your conduct in dealing with the householder and while residing in that home should definitely reflect fine Christian principles and qualities.

HOTEL AND MOTEL ROOMS: If hotel/motel rooms are preferred, mark your Request Form accordingly and show in the right-hand column the price you wish to pay for the room. As you know, the rooming department will do everything they possibly can for your request. Bear in mind that for good rooms the rate will be \$30.00 to \$50.00 per room for two persons. Remember that your conduct at the hotel/motel should be above reproach, so as to bring honor to Jehovah's name.

One night's deposit will be required to hold your reservation.

TRAILERS AND TENTS: The convention rooming department will provide, upon your request, available information on any commercial trailer and camping facilities in the convention area. Please include a self-addressed, stamped envelope with your request.
