

ANNOUNCEMENTS AND REMINDERS

August 2018

Coordinator of the body of elders: The announcements and reminders **for the congregation** should be read at the next midweek meeting and thereafter posted on the information board for one month.

FOR THE ELDERS ONLY

1. **Memorial:** In preparation for the 2019 Memorial, please review the direction in the February 13, 2017, letter to all bodies of elders on selecting a Memorial speaker and selecting Memorial meeting times.

As in previous years, there will be a worldwide effort to invite as many as possible to attend. This special campaign will begin Saturday, March 23, 2019, and extend through Friday, April 19, 2019. Each congregation will be consigned a quantity of 50 invitations per publisher (this includes regular pioneers) in the language of the congregation. As congregations who sponsor a foreign-language group will **not** automatically be provided with invitations in the language of the group, if they are required, they can be requested. If any changes are needed, this should be made by **Monday, September 10, 2018**, using item number 7959. The same artwork that was used for the 2018 invitation will be used for the 2019 invitation. Thus, to avoid confusion, please ensure that any 2018 invitations have been discarded. A Memorial invitation in Braille will automatically be sent to publishers who regularly receive Braille items from the branch office. Additional invitations in Braille can be requested beginning January 1, 2019. Publishers will be allowed to leave Memorial invitations where no one is at home if the elders deem this to be practical.

2. **Special Public Talk:** The pre-recorded special talk mentioned in the announcement to the congregation will be available on JW Stream about one month prior to the week it is to be presented. Please assign an elder or a ministerial servant to download the pre-recorded talk from JW Stream (using his jw.org credentials) several weeks before the congregation is scheduled to view it. Since there may be multiple recordings available in the same language, in early 2019 the branch office will inform groups and congregations which recording they should use. If possible, a backup speaker should be assigned in case of technical problems with the recording. If a congregation or group does not have the necessary equipment to view the recording or if the recording is not available in the language of the congregation or group, the body of elders should assign a qualified speaker to give the talk in the usual manner. Since the special talk will be a revised version of Talk No. 90, “Reach Out for the Real Life!,” the current version should not be presented after September 1, 2018.

3. **Global Assistance Arrangement:** In harmony with the announcement to the congregation, please arrange for a resolution to be considered by the congregation authorizing the following amount to be sent from congregation funds each month for the 12-month period of September 2018 through August 2019: (per-publisher amount noted on jw.org) x (number of active publishers). If preferred, the entire amount may be sent at one time. If the body of elders thinks that the suggested amount would impose a hardship on the congregation or that the congregation is in a position to contribute more, the resolved amount may be adjusted accordingly.

The resolution should be written as follows: “In support of the Global Assistance Arrangement, we, the _____ Congregation, resolve to donate _____ to the worldwide work during the 2019 service year. These donations will be made from congregation funds, which are contributed in our boxes marked for congregation expenses. The resolved amount will be donated (in one payment/spread over the course of the year).”

- *Coordinator of the body of elders:* If before the next midweek meeting the body of elders has approved the amount to be included in the resolution, arrange for the resolution to be

presented following the reading of the attached announcement. Otherwise, inform the congregation that the resolution mentioned in the announcement will be presented the following week. Before the announcement is made and placed on the noticeboard, fill in the per-publisher amount noted on jw.org.

- *Secretary*: Ensure that the resolution approved by the congregation is given to the accounts servant along with the appropriate instructions for remitting the resolved donation to the branch office.

4. **New Contact Card:** Language-coordinating congregations may use the mnemonic *jwcd4* or the item number 8524 when requesting the new contact card mentioned in the announcement to the congregation.

5. **Contribution Box Labels:** New contribution box labels are being provided for use in all Kingdom Halls. An icon is used on each label to identify the specific purpose of the contribution box. For the worldwide work, the label has artwork depicting a globe. For local congregation expenses, the label has artwork depicting a Kingdom Hall. If online donations can be made via jw.org in your country for the corresponding donation type, the URL “donate.jw.org” will be included on the label. As a result of this design, the labels are not language-specific. A consignment of two sets of labels per auditorium will be included in congregation literature shipments starting this month. The body of elders, or Kingdom Hall Operating Committee if more than one congregation uses the Kingdom Hall, should ensure that these labels are placed on contribution boxes as soon as they are received. If additional labels are needed, they may be requested from the branch office in the same way that publications are requested. Please use the item number or mnemonic noted on jw.org when submitting requests for additional labels. If the bodies of elders using the Kingdom Hall decide that the existing labels with the words “Worldwide Work” or “Local Congregation Expenses” are still needed, they may continue to be used along with the new labels.

6. **Social Events:** The congregation does not organize or sponsor social events. Individuals who host social events bear personal responsibility for what occurs at the event. Such individuals should not state or imply that they are acting on behalf of the congregation. They should not use terms such as “congregation picnic” or “congregation gathering.” (*od* pp. 127-128 par. 19) Thus, invitations should not be placed on the noticeboard and announcements regarding social events should not be made from the platform.

7. **2019 Conventions:** Please arrange for the letter regarding “2019 Regional Convention and Rooming Arrangements” to be read to the congregation at the end of the midweek meeting during the week of **August 6, 2018**.

8. **Britain Branch Relocation Project Newsletter: Edition 8 - Summer 2018:** Please print edition 8 of the branch relocation newsletter in full colour, and inform the congregation using the announcement below. Please place on the noticeboard, and remove all previous newsletters including any of the three most recent pictured below.

ANNOUNCEMENTS AND REMINDERS

August 2018

FOR THE CONGREGATION

1. **Memorial:** On Friday evening, April 19, 2019, we will gather to observe the Lord’s Evening Meal. (Luke 22:19) Starting in 2019, the meeting schedule will be adjusted during the week of the Memorial so that more attention can be given to the annual observance. When the Memorial falls on a weekday, no midweek meeting will be scheduled. When the Memorial falls on a weekend, no weekend meeting will be scheduled. Additionally, please note that the 2020 Memorial observance will be held on Tuesday, April 7, 2020. The 2021 Memorial observance will be held on Saturday, March 27, 2021.

2. **Special Public Talk:** To generate enthusiasm for the Memorial, the 2019 special talk, entitled “Reach Out for the Real Life,” will be presented one week before the Memorial, during the week of April 8, 2019. Congregations that have an assembly or the visit of the circuit oversee the week of April 8 will usually have the special talk one week earlier. Most congregations will view a talk that has been pre-recorded by the branch office, and in many cases, given by a member of the Branch Committee. We hope this advance notice will be helpful to you in preparing for these important events.

3. **Global Assistance Arrangement:** The Global Assistance Arrangement allows the organization to care for incidents at Kingdom Halls, Assembly Halls, and branch facilities—including damage resulting from a natural disaster, fire, theft, or vandalism. For the next service year, the anticipated cost for these incidents would be covered if each publisher contributed approximately _____. This does not mean that each publisher is expected to contribute this exact amount. Instead, each congregation may choose to pass a resolution to contribute to the worldwide work and publishers can then contribute to their local congregation in harmony with their resolution.

4. **New Contact Card:** A jw.org contact card that features only the jw.org logo on the front is now available for request. The card has lines on the back on which publishers can write a brief message, Bible verse, or other information. This card is part of the Teaching Toolbox, and you may begin to use it as soon as the congregation receives it.

5. **2019 International Conventions:** We are pleased to inform you that 24 international conventions will be held in 18 countries during 2019. This will be the largest number of international conventions held by our organization in recent years! Over 130,000 publishers, representing more than 80 countries, will be invited to serve as delegates. Due to your generosity, some 5,000 brothers and sisters in special full-time service who serve in foreign assignments will have the opportunity to enjoy international and regional conventions in their home country or another preferred destination. We pray that all of the 2019 conventions bring praise to our great God, Jehovah!—Ps. 57:9.
