## TO THE CONGREGATIONS

Re: News about the Spain Branch Remodeling Project

Dear Brothers:

We are very pleased us to send you the first of a series of reports on the remodeling of our branch at Ajalvir (Madrid). Work got under way on February 15, 2018, and in the accompanying photographic report you can see some of the things being done. We hope to keep you well informed during the construction period. Therefore, plans have been made to send reports regularly —every month, if possible— so that, although from a distance, you will be able to follow the progress of the project.

We pray that Jehovah bless the work on improvements in our installations, desiring that everything that takes place contribute to His praise and honor. We are counting on the support of all the publishers in the country, and from the outset we express deep appreciation for your willingness and generosity in offering time, talents and resources to make this project a reality.— Nehemiah 2:18; Proverbs 11:25.

Receive dear brothers, an expression of warm regards and brotherly love.

Your brothers,

*Testigos Cristianos de Jehová*
