Dear Sister:-

You are engaged in the most blessed service of any creatures on earth. The Society wishes to encourage you to continue joyfully in that work. For some time we have been aware of your difficulty in making expenses, considering the selling price of the books and the commission allowed therefor. We believe the Lord is arranging to overcome this difficulty, to permit a wider distribution of his truth.

Having established a plant at Brooklyn to manufacture the books, and having sent a number of competent brethren here to do the work, it seems that the Lord is preparing for a wider witness; and we must be ready for the occasion. It will be your part to put the books into the hands of the people.

We are pleased to advise you that the Society is arranging to ship all books to the colporteurs freight prepaid, thus making the price of books to colporteurs uniform all over the United States. The Lord has made it possible for the price to be reduced; hence after February 1 the price of the Harp Study Course and the seven volumes of STUDIES IN THE SCRIPTURES to the public will be \$2.87. The regular colporteurs in cities will be allowed a commission of \$1.22 for such sales. Colporteurs who will undertake to canvass isolated territory will be allowed a commission of \$1.52 for the above set. Like favorable prices will be made on all the books, as will be seen from our price list, to be provided shortly. Four sales per day will net you a comfortable income, enabling you to meet all expenses.

Since the apostles urge us to greater diligence and energy, and since it is our privilege to aid others to get into the service, we suggest that if you know of any who could enter the service, you encourage them to engage quickly in the colporteur work. Such will be for their spiritual welfare. We hope to see at least a thousand colporteurs in the field during the New Year, 1923. Let us ask the Lord to increase this army. He has invited us to pray the Master of the harvest to send more workers into the field. Let us all with gladness strive to make this the most wonderful year for the advertising of the King and his kingdom.

Praying the Lord's blessing may continue with you richly, and with much love and best wishes, we remain

Your brethren in Christ,

Watch Tower B. & T. Society.
