"Dear Brother,

Has a ban been placed on the Watchtower & American Consolation or is my mail being intercepted by the Devil's organisation.

The reason I ask is because I have not received the Watchtower since No.16 issue (Aug.15th. times & seasons Part 2) & Consolation No.550 of Oct.16th last, No.548 also did not reach me.

I greatly miss receiving these journals & was delighted at receiving Australian Consolation Vol. 3 No.53. Nov. 27th. 1940 as it was the first (& the last) I had received since Vol. 2 No. 49 of Oct. 2nd.

I am enclosing a 10/- note (No. E/45 101909) & trust same reaches you safely.

Will be pleased to receive "Judge Rutherford uncovers Fifth Column", Conspiracy against Democracy" & any other recent publications which may have been issued & received here.

Thanking you in anticipation & wholehearted in the Lord's Service from

(Signed) W.S. Pateman. "

N.B. 10/- note enclosed.
