St. Kitts Quick-Build Volunteers

Dear Brothers:

With full hearts we take this opportunity to say Thank you for your loving assistance in providing us a fine new Kingdom Hall and Missionary Home on the island of St. Kitts.

May Jehovah's blessing go with you as you return to your respective congregations. Please carry our warm love and best wishes with you. Rest assured these two buildings will be used to their fullest extent in promoting and also in maintaining pure worship in these islands.

Be assured of our Christian love and best wishes.

Your brothers,

Watch Tower B. & T. Society
