TO ALL BODIES OF ELDERS IN THE UNITED STATES,
ALASKA, HAWAII, AND PUERTO RICO

Dear Brothers:

The Society's Legal Department is currently compiling a list of all brothers and sisters in the United States who are licensed or certified in specific occupations. We are particularly interested in attorneys, CPAs, certified financial planners, trust officers, real estate brokers, and licensed appraisers. In addition, we would like to have information on those in the academic, government, and news media fields. We are writing to request your assistance in obtaining this information.

We would appreciate your filling out one of the enclosed information sheets for each individual, making additional copies of this information sheet as needed. We would also appreciate receiving your personal observations, noting your general comments in the final section.

We would like to have this survey completed by December 1, 1997. Thank you for your efforts in providing this information. We appreciate your assistance. We take this opportunity to convey to you our warm Christian love.

Your brothers,

Watchtower B. & T. Society
OF NEW YORK, INC.
