TO ALL BODIES OF ELDERS

Dear Brothers:

We are pleased to inform you that 25 additional public talk outlines (#127-151) have been prepared and will be part of the permanent series of outlines to be used in the congregations. Two sets of the new outlines, along with an updated Public Meeting Talk Titles (S-99) form, will be included with each congregation's literature shipment, beginning in May. If your congregation is part of a Kingdom Hall Literature Group, these items will be sent to you through the coordinating congregation. When received, the new outlines may be assigned to capable brothers and scheduled to be delivered in your congregation.

Your brothers,

Christian Congregation of Jehovah's Witnesses

If writing regarding the above please return this slip.
