COPY

Dear Brothers,

I am sending you this letter for your consideration. I have spoken to Brother \_\_\_\_\_, my C.O., about this matter. He said to put things in writing and send copies to you, Brothers in \_\_\_\_\_ and to him. This is your copy.

In a letter of August 18, 2005 you indicated if there was any new information that I should inform you. I am sure you are not aware of the conduct of \_\_\_\_\_ and Roberts in some instances that have been brought to your attention because of mine and lack of information.
