TO ALL BODIES OF ELDERS IN ENGLAND

Dear Brothers:

From July 1, 2007, smoking will be prohibited in public buildings in England. Although smoking is abhorrent to Jehovah's people and totally prohibited in Kingdom Halls, to comply with the new law it will be necessary to install a sign to confirm that the building is a no-smoking area.—Rom. 13:1.

The Government has produced a booklet with the title *Everything You Need to Prepare for the New Smokefree Law on 1 July 2007*. On page 13 of this booklet, information is provided about the type of sign required and where in a building it should be located. A copy of this document can be downloaded from the website www.smokefreeengland.co.uk. Also, suitable signs can be ordered or downloaded from this website.

We trust that you will find this information helpful and suggest that you take prompt action so as to ensure compliance before the July 1 deadline.

Be assured of our heartfelt Christian love and best wishes.

Your brothers,
