**CHRISTIAN CONGREGATION
OF JEHOVAH'S WITNESSES**

SERVICE DEPT:

SDO.SST

Dear Brother.

This letter is in answer to a letter we received from you on June 18.

Since we received your letter I called brother [redacted] who was the brother who handled this case with me brother [redacted]. Neither of us recall with complete accuracy how we explained the charges made by sister [redacted] to brother [redacted], but we did tell him the charge was molestation and at his age of 40 we assumed he knew what was meant. We also clearly informed him that a report would be made to the attorney generals office. At that time brother [redacted] did not deny that he had molested sis [redacted].

Brother [redacted] was able to add this bit of information about our meeting with brother [redacted] back in 2002 quoting brother [redacted] he said "She was so young I didn't think she would remember" and "I would not have moved back to this congregation if I thought she would remember."

With regard to the remark That he did not deny it what is meant is that when we told him that sister [redacted] said he molested her he did not deny molesting her.

However he now explains that all he did was run his hands up and down her legs and look at her without clothes on saying he just wanted to see what a girl looked like without clothes on.

Sister [redacted] says he did put his hands on her private parts.

In answer to the question about if he is on a list of known sex offenders we looked up the web site and his name is not listed on it.

He does not have to report to the authorities if he moves.

In an effort to be as complete as possible in this report I opened the file and in the file it used the word fondled her and tickled her as in making a game out of what he did to her.

I hope this information allows you to get a good idea of what took place and help us in making the correct decision with regard to any privileges brother may have.

**We appreciate your help in this matter very much :
Thank You.**
