BODY OF ELDERS
CONGREGATION OF
JEHOVAH'S WITNESSES, MA

Dear Brothers:

We have in hand your most recent letter, wherein you provided additional details regarding Brother . Your comments were most helpful. Before we conclude our consideration of this case, we would appreciate your assistance as outlined below.

We will need reassurance that Brother is not guilty of any other instances of child sexual molestation. Please assign two elders to meet with him. They should ask Brother specifically if he is guilty of any other instances of sexual activity with a minor besides that already confessed. Has he engaged in conduct similar to that with Sister , with any other minor? After the meeting, please inform us of his response. Three elders should sign your letter, including the two who met with Brother . Please be sure your correspondence makes reference to our letter by the date and desk symbols indicated above. Upon receipt of your response, we will offer direction as to what, if any, congregation privileges can be extended to Brother .

We anticipate your prompt response to this inquiry. It is a privilege to be working alongside you in serving Jehovah and our brothers during these momentous times.—Zephaniah 1:14.

Your brothers,

*Christian Congregation
