Re: Symposiums and slide presentations at Public Meeting

Dear Brothers:

As previously announced, effective January 1, 2008, public talks will be 30 minutes in length. In view of this adjustment, we wish to provide direction regarding the presentation of symposiums. If a symposium arrangement is deemed necessary for a new public speaker, he should be assigned the first 15 minutes of the talk. The more experienced speaker should present the remaining 15 minutes.

Regarding slide presentations, such programmes were shown from time to time by the circuit overseer in conjunction with his visit to the congregation. Thereafter, some congregations or circuits obtained these slide programmes for occasional presentation at the Public Meeting. However, this arrangement has been discontinued.

Thank you for noting these adjustments. We send our warm Christian love.

Your brothers,

*Watch Tower B. & J. Society*
