Re: Review of Assembly Programmes

Dear Brothers:

Service Meeting parts to review information presented at circuit assemblies and at special assembly days will no longer be scheduled in *Our Kingdom Ministry*. Main points from such programmes will be incorporated into articles considered at Service Meetings throughout the year. Occasionally, the elders may wish to review material presented on a recent assembly programme and to make local application. In such cases, it would be appropriate to use time allotted for local needs on the Service Meeting. Please retain this note in the congregation's permanent file of policy letters. We send our warm Christian love.

Your brothers,

*Watch Tower Bible and Tract Society*

If writing regarding the above please return this slip.
