Re: Audio recordings of the *Yearbook*

Dear Brothers:

You will be pleased to know that beginning with the *2010 Yearbook of Jehovah's Witnesses*, audio recordings of the *Yearbook* will be made available to the congregations. The English recordings are being offered in two different formats: standard compact disc and files that can be downloaded from the [jw.org](http://jw.org) Web site. Files on the Web site will be available on January 1, 2010. The standard compact discs will begin to be shipped during February 2010.

As with all publications posted on the [jw.org](http://jw.org) Web site, publishers who have access to the site are encouraged to download these recordings, since the cost to the organization is much less than producing physical discs. However, for those who do not have a means of obtaining these recordings from the site, requests for the standard CDs may be placed at this time.

We send our warm Christian love and best wishes.

Your brothers,  
*Christian Congregation  
of Jehovah's Witnesses*

PS to coordinator of the body of elders:

At the next Service Meeting, please arrange for an announcement to be made to the congregation that a letter on the above-noted subject has been posted on the information board.

Item number 4410 should be used when requesting *2010 Yearbook—On CD*.
