TO ALL BODIES OF ELDERS

Re: *Shepherding* textbook

Dear Brothers:

We are writing further to our letter of August 23, 2010, regarding the Kingdom Ministry School and the revised elders textbook entitled, “*Shepherd the Flock of God*”—1 Peter 5:2.

You will be please to know that we have now received a consignment of the *Shepherding* textbook and that these will be delivered with your next literature drop. Please give any spare copies to your circuit overseer. Conversely, if you do not receive sufficient copies, please notify your circuit overseer.

In our aforementioned letter it noted: “Copies of the textbook that were requested in languages other than the language of the congregation will be sent to the circuit overseer for distribution.” Therefore, we would now invite you to inform your circuit overseer of any elders who require a textbook in a language other than the language of the congregation. Please specify the language required, and whether the large-print edition is preferred. Please note, if large-print textbooks are not available in the languages requested, regular-print textbooks will be sent instead.

Please ensure that your circuit overseer receives your order by November 1, 2010. He will then be able to collate the circuit requirements and send the order to the branch office. As already stated, the textbooks will then be sent to the circuit overseer for distribution. However, please be aware that it may be many months before textbooks are available in some languages.

We join with you in thanking Jehovah for his bountiful spiritual provisions. We can be confident that the *Shepherding* textbook will prove to be a valuable tool in helping elders to continue caring for Jehovah’s sheep.—Acts 20:28.

Please accept an expression of our warm Christian love.

Your brothers,
