

This note came to the \_\_\_\_\_ body of elders from the legal Dept.:

Brother Tobey Turcotte a brother that works in the legal Dept. called bro \_\_\_\_\_ on Jan 17 2011 and asked

If we had on file any information about Bro. \_\_\_\_\_ being disfellowshipped and reinstated , I

Said I recalled that he was disfellowshipped and reinstated . He then asked me what the Judicial action

was based on - I said wait a minute I'll look in the file - when I looked for the file it could not be found

He thanked me and then hung up. Later in the week Jan 19 2011 he called again and proceeded to instruct

Me to make a new file and to enter these Judicial remarks. He also said to label the new file do not destroy

“ \_\_\_\_\_ was disfellowshipped for fondling his youngest daughter and also for trying to have sex with her on

Several occasions the action to disfellowship took place on 11/5/87” and was later reinstated

The above notes are entered here by Bro \_\_\_\_\_ on 1/20/2011
