Re: *2012 Yeartext banner*

Dear Brothers:

In the past we have made available for the congregations a Yeartext banner, which included a picture as well as the text itself. From 2012 onwards, there will be no picture, only text according to the style given from World Headquarters. The size of the banner will be the same as previously, and will promote unity throughout the congregations. Please order as previously if you wish to receive a banner.

We take this opportunity to send you our warm Christian love and greetings.

Your brothers,

Watch Tower B. & J. Society
