TO ALL BODIES OF ELDERS

Re: Additional notations in *Shepherding* textbook

Dear Brothers:

During the 2011 Kingdom Ministry School, there were three additional notations that we were directed to insert in personal copies of the *Shepherding* textbook. Kindly ensure that this has been done. In addition, new elders may be reminded to mark such insertions in their textbooks.

In chapter 3, next to paragraph 11, please make the following notation:

- **“See letter dated August 15, 2009, to all bodies of elders on higher education.”**

Also, in chapter 3, next to paragraph 23, please make the following notation:

- **“See letter dated August 15, 2009, to all bodies of elders on higher education.”**

Finally, in chapter 3, after the last bullet point in paragraph 32, write the following:

- **“The above arrangement does not apply to someone whose regular travel away from home results in his neglecting his family responsibilities. Neither does it apply to one setting a poor example with regard to pursuing higher education.”**

As a reminder, please see the following letters for further notations that should be made in your personal copy of the *Shepherding* textbook. Please ensure that this is done. New elders will need to make these adjustments also. These can be found in letters dated October 7, 2010, October 12, 2010, November 17, 2010, and December 6, 2010.

We send our warm Christian love.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*
