Re: Locating publishers who speak Azeri or Azeri Turkish

Dear Brothers:

We have received a letter from the Georgia branch. In this they request assistance in locating publishers who are able to speak the Azeri language, also known as Azeri Turkish.

The brothers inform us that typically, these ones originally come from either Iran or Azerbaijan and may also speak Arabic. Therefore, if you have publishers in good standing that speak the Azeri language, please provide us with their name, contact details, and a brief report on their spiritual standing within the congregation.

We would appreciate a prompt response to our request. When replying please use the above reference.

Thank you in advance for your help in this matter. We take this opportunity to send you our warm Christian love and best wishes.

Your brothers,
