Re: *Help People Listen to God and Before Preaching, You May Need to Search*

Dear Brothers:

We are pleased to inform you of two new Web videos that have been produced in American Sign Language. They are entitled *Help People Listen to God and Before Preaching, You May Need to Search*. These publications contain the material that appeared with the July 2012 issue of *Our Kingdom Ministry—On DVD*.

These publications are designed to be distributed on the jw.org Web site for elders and approved ministerial servants to download. The elders will then arrange for the video files to be distributed to each baptized and unbaptized publisher who received this information through *Our Kingdom Ministry* and who has a device on which the files can be viewed. Publishers will want to use this publication when they are preparing for the preaching work and will want to keep these files on the devices they carry with them in the ministry.

We send you our warm love and best wishes.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*
