Re: *Watch Tower Publications Scripture Index 1992-2011*

Dear Brothers:

We are pleased to inform you that a new *Index* has been prepared for American Sign Language publications. It is entitled *Watch Tower Publications Scripture Index 1992-2011*. This publication will replace the sections “Index of Scriptures Explained” and “Index of Scriptures Quoted” in all past *Indexes*. The section “Index of Subjects” has not been included in the new *Index*. Therefore, please continue to refer to previous *Indexes* for this information. We expect that the “Index of Scriptures Explained” will prove to be particularly useful when doing personal research or preparing a talk on the Theocratic Ministry School when only a theme and scripture are provided.

A PDF file of this publication has been posted on jw.org under “Publications/Books & Brochures” when “Display” is set to search for “American Sign Language.” Congregation requests for the 32-page printed brochure can be submitted at this time.

Please accept an expression of our warm Christian love and best wishes.

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*

PS to coordinator of the body of elders:

If you have deaf publishers associated with your congregation, please arrange for an announcement to be made at your next Service Meeting that a letter on the above-noted subject has been posted on the information board. Item number 6351 should be used when requesting this publication.
