TO ALL BODIES OF ELDERS USING JW.ORG TO SUBMIT REPORTS

Re: Active Publishers Figure

Dear Brothers:

We are certainly grateful for the provision to submit congregation field service report through jw.org. Not only is it quick but it makes the processing of reports in the office easier.

Some of you have asked what figure should be entered in the “Active Publisher” field as shown below, when you submit your monthly field service report. Please note that the “Active Publisher” figure is the number of *active publishers* obtained by counting the cards of *all* publishers and pioneers, including special pioneers, who have reported at least once during the last six months. This figure should not be confused with the total publishers reporting for the current month. Because the “Active Publisher” figure is very important to the branch office, please ensure that it is accurate.

Most of you do your best to submit your reports by the 20<sup>th</sup> of the following month and we commend you for that. Please continue to do so.

We send our warm Christian love and best wishes.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*
