Re: *Would You Like to Know the Truth?* tract

Dear Brothers:

A number of inquiries have been received on whether it would be appropriate to count the tract *Would You Like to Know the Truth—On DVD* in American Sign Language as a book placement similar to the way other publications on DVD in sign language are counted. Since we do not normally report tracts placed, it would not be appropriate to count the sign-language edition of the *Know the Truth* tract as a book placement.

May Jehovah continue to bless your whole-souled service. We send our warm Christian love.

Your brothers,  
*Christian Congregation  
of Jehovah's Witnesses*
