Re: *Become Jehovah's Friend*

Dear Brothers:

As announced at the "Safeguard Your Heart!" district conventions this year, additional short animated videos for the *Become Jehovah's Friend* series will soon be available for download. These programs will only be distributed by means of the jw.org Web site as files for computers and mobile devices. No physical discs will be provided.

Starting in January 2013, a new English item will be available for download each month, either a lesson or a song by a children's chorus.

We are pleased to let you know that, in time, these items will be available for download in various languages from jw.org.

In view of the above, production of *Become Jehovah's Friend—Listen, Obey, and Be Blessed—On DVD* will be discontinued as of January 1, 2013. Therefore, once existing stock at the branch office and congregation supplies are exhausted, this item will no longer be available for request. The lessons and songs included on the initial DVD will be available only for download from jw.org.

May Jehovah's rich blessing continue to be with your efforts to teach all, including our children, to benefit from his loving instruction.—Isa. 48:17.

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*

PS to coordinator of the body of elders:

Please arrange for this letter to be read to the congregation at the first Service Meeting after its receipt. Thereafter, it should be posted on the information board.
