TO ALL TRAVELLING OVERSEERS AND BODIES OF ELDERS

Re: Letter dated March 26, 2010

Dear Brothers:

Further to our letter dated October 19, 2012, regarding sign-language interpretation, please remove from your files and destroy the letter addressed to all travelling overseers and bodies of elders dated March 26, 2010, regarding general guidelines for sign-language interpreting at meetings, assemblies and conventions.

Please be assured of our warm Christian love and best wishes.

Your brothers,
