TO ALL BODIES OF ELDERS IN CANADA

Re: Transmitting meetings to isolated individuals by Internet connection

Dear Brothers:

We wish to inform you that *audio-transmission* of congregation meetings to isolated individuals is permissible via a secure Internet connection from the Kingdom Hall. This is an adjustment to our letter to all bodies of elders, June 5, 2008, outlining direction for transmitting meetings to isolated individuals. Sign-language congregations may continue to transmit *audio/video*.—Letter to all bodies of elders, January 11, 2009.

The above-referenced letter of June 5, 2008, provides useful information with regard to reasons for which a fellow worshipper may require the provision of listening to the congregation meetings by means of an audio tie-in. The direction under the subheadings “Video tie-ins” and “Cellular telephones” also remains in effect.

Please refer also to our letter to all bodies of elders, March 25, 2010, for important direction with regard to Internet connections in Kingdom Halls.

We take the opportunity to convey an expression of our warmest Christian love.

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*
