Re: Thirty-hour quota for auxiliary pioneering

Dear Brothers:

We are pleased to inform you that the arrangement for an optional 30-hour quota for auxiliary pioneering during the month of the Memorial is being expanded. Beginning March 2013, this arrangement will be available during March and April of every year. It will also be available during the months that a regular visit of the circuit overseer is scheduled at a congregation. If the circuit overseer's visit (Tuesday through Sunday) includes days from two months, the auxiliary pioneer may decide which month he would like to have the 30-hour quota. Additionally, beginning March 2013, any publisher who auxiliary pioneers during a month in which the circuit overseer visits the congregation may attend the circuit overseer's meeting with the pioneers in its entirety.

This letter will be posted on the information board for one month. Thereafter, the elders will be pleased to refer to this letter to answer any questions you may have.

We send our warm Christian love.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*

cc: Traveling overseers

PS to body of elders:

The above portion of this letter should be read to the congregation during the Service Meeting the week of February 11, 2013, at the beginning of the part "Will *You* Auxiliary Pioneer?" Although this postscript along with the rest of the letter will be posted on the information board, the postscript should not be read to the congregation. The letter should be retained in the congregation permanent file of policy letters. You may wish to update *Index to Letters for Bodies of Elders* (S-22) at this time as well.

Besides the months of March and April, an adjusted hour quota may only be applied to the circuit overseer's regular visit to a congregation, not to a visit in conjunction with a circuit event or other circumstance. Even if the last day of an auxiliary pioneer's service falls on the first evening of the circuit overseer's visit, the auxiliary pioneer may choose a 30-hour quota for that month and may attend the circuit overseer's meeting with the pioneers in its entirety.
