Re: Interest-Free Loan Arrangement

Dear Brothers:

This letter is for any who are kindly enquiring about lending funds to the worldwide work of Jehovah's Witnesses under the Interest-Free Loan Arrangement.

To make such a loan, simply send us a short letter with your remittance stating that the accompanying sum is an interest-free loan. Please make your remittance payable to the Watch Tower Bible and Tract Society of Britain. If you wish any special conditions to be attached to the loan, please state these in your letter.

We will reply with a formal acknowledgement of your loan and conditions. Keep the acknowledgement safe because when you write to us to request repayment of the loan, either in whole or in part, you need to include it.

On death, the loan remains part of your estate to be returned to your executors.

May we express our warm appreciation for your intention to support the worldwide work of Jehovah's Witnesses in this way.

We send you our warm Christian love and best wishes.

Your brothers,

*Watch Tower B. & T. Society*  
OF BRITAIN
