Re: Magazines for January 2014

Dear Brothers:

We write to advise you of the subject of the cover series for the January edition of *Awake!* entitled *JW.ORG A Unique Web Site*. We believe this subject is particularly relevant to our territory and we would like to give this issue of *Awake!* a wide distribution.

More and more people obtain information and reading material online and feel comfortable with this approach. With the click of a mouse, they can tap into sources of information available only on the Internet. Many books, magazines, and newspapers can be read online. As well as providing a wealth of practical wisdom, the jw.org website fulfils a spiritual need by pointing people in the direction of Jehovah's perfect laws. (Ps. 19:7) Consequently, please ensure that plenty of copies of this issue are available for distribution during January.

Magazine coordinating congregations should submit any additional requests using the "Special Requests" link in the "Request Periodicals" section under the "Congregation" tab on the jw.org website. In order for any extra quantities to be packed along with the main supply, please use the website to submit your requests for additional copies of the January 2014 issues no later than **October 3, 2013**.

We pray Jehovah's blessing on your zealous lead in the ministry. We send our warm Christian love and best wishes.

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*
