Re: Donations to worldwide work and Kingdom Hall construction worldwide

Dear Brothers:

We would like to express our deep appreciation for your ongoing generous support of Kingdom interests around the world. The contributions received for the worldwide work and for Kingdom Hall construction worldwide help to provide much needed spiritual comfort during the “critical times” in which we live.—2 Tim. 3:1.

Many of you are experiencing the effects of these critical times in your personal and family life. In Satan’s unjust, wicked world, it has become a struggle for some to obtain life’s basic needs. Despite these circumstances, your love for Jehovah and his organization moves you to contribute “with a complete heart.” (1 Chron. 29:9) Just as Jesus took note of the widow’s donation of two small coins, Jehovah appreciates your gifts, knowing that you are motivated by love.—Luke 21:1-4.

This giving spirit is in sharp contrast to the selfish attitude of those in the world around us. While many spend their resources on personal pleasures and on enriching their own lives, you faithful ones have put the needs of others ahead of your own. One way this is accomplished is by your monetary contributions that support the printing, translation, and distribution of publications that draw attention to the ‘life-giving water’ found in God’s Word, the Bible. (Rev. 22:17) Following the example of the first-century Christians, you also consider it a joy to contribute for the purpose of assisting your brothers in need, such as those affected by recent disasters. (Acts 2:45, 46) All of these efforts are largely supported by your donations to the worldwide work and to Kingdom Hall construction worldwide.

May Jehovah continue to richly bless your hard work and loyal service as you generously support Kingdom interests.

Your brothers,

Testigos Cristianos de Jehová
