TO ALL BODIES OF ELDERS

Re: School for Congregation Elders

Dear Brothers:

We are pleased to inform you that there will be future classes of the School for Congregation Elders across Canada for newly appointed elders. A new class will be formed when enough new elders in a circuit or area have been appointed so as to have a full complement of students. An elder may once again attend the School for Congregation Elders after five years have passed since his enrollment. Please do not inquire of our office regarding future schools. When these are formed, invitations will be sent.

While it is preferable that elders attend in Canada, at times circumstances may necessitate requesting to attend in other countries. If that is the case, please send a written request to the branch via regular mail or using the new jw.org inbox.

Also, if any have attended the School for Congregation Elders in another country without the branch being informed, please let us know immediately where and when you have attended.

We appreciate your cooperation in this matter. Please be assured of our warm Christian love and best wishes.

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*
