Re: Use of jw.org inbox to send pioneer correspondences

Dear Brothers:

Our letter dated September 1, 2013, directed that effective November 1, 2013, whenever possible, correspondences and forms should be sent to the branch office using the jw.org inbox feature rather than postal mail. Understandably, this has raised a number of questions regarding the handling of regular pioneer correspondences.

Please continue to send new regular pioneer applications to us by postal mail. Also, when a pioneer discontinues his service or moves into your congregation kindly send the S-202 appointment letter to us by postal mail. Please note that although you send pioneer correspondences to the branch office by postal mail, congregations on jw.org will continue to receive pioneer appointment letters and other correspondences through their jw.org inbox.

Until you receive further direction, continue to send new pioneer applications, discontinuations, and pioneer change of congregation through postal mail.

We send our warm Christian love and best wishes.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*
