TO ALL SELECTED DELEGATES TO THE 2014 INTERNATIONAL CONVENTIONS

Re: Contact persons for the international conventions in the United States

Dear Brothers:

We are at this time informing you of the need for you to start processing your visa applications to travel to the USA for next year's international conventions as soon as possible if you have not done so already. We are duly notified that slots for interviews regarding visa are fast running out. In fact, there are very few days available from March to June. We therefore suggest that you start the process now and book your interview dates sooner than later.

The electronic DS-160 visa form requires that those applying for a tourist visa provide an **address** where they will stay in the USA and a **contact name**. We do not recommend that you use Christian Congregation of Jehovah's Witnesses or the Patterson address as the USA contact.

Instead, you may use as a contact the name of one of the brothers on the local Convention Hospitality Committee. If you will be staying at a hotel, state the address of the hotel. However, if you will be receiving accommodation in a home under the special rooming arrangement, but that address is not yet available, then you may state the address of the local Convention Hospitality Committee as indicated below.

Seattle, WASHINGTON	Detroit, MICHIGAN
David Keegan 14024 17th Ave NE Seattle WA 98125 206-930-1395 (cell)	Victor Dinwiddie 2620 E Vernor Hwy Apt 202 Detroit MI 48207 313-529-5866 (cell) 313-567-2231 (home)

As a reminder, if you have determined that for some reasons you will no longer be able to attend the convention, kindly inform your congregation secretary to **cancel your status as a selected delegate** so that your place may be offered to another person on our waiting list.

As we pray Jehovah's blessings upon your efforts, please accept our best wishes.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*
