TO ALL CONGREGATION SERVICE COMMITTEES

Dear Brothers:

As Christians, we desire that our marriage be honorable both before God and civil authorities. For this reason, Jehovah's organization has, over the years, provided useful information that will serve as guiding principles regarding marriage no matter our cultural background.

In order to further understand the real situation in our field, a survey is being conducted by means of the questionnaire attached to this letter. Please fill out the form and send it to the branch office before March 24, 2014, Attention: Desk SDV:SDY.

We send you our warm Christian love and best wishes.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*
