Re: Spiritual food in Dagaare language

Dear Brothers:

We are pleased to inform you that spiritual food in the Dagaare language has become available on jw.org! This means that we have eight local languages available on our Web site. They are: Twi, Ewe, Ga, Nzema, Dangme, Frafra, Ghanaian Sign Language, and now Dagaare. Let us all keep on highlighting jw.org in our ministry so that many more may learn the “magnificent things of God” in their “own language.”—Acts 2:5-11.

Your brothers,

Christian Congregation of Jehovah's Witnesses

PS to coordinator of body of elders: Please arrange to make this announcement at the first Service Meeting after receipt of this note.
