TO ALL CONGREGATIONS

Dear Brothers:

We are pleased to inform you that the Governing Body has approved that we translate some of our publications into four new languages spoken in our territory. They are: Ahanta, Dagbani, Fante, and Sehwi. In addition, we have approval to produce audio recordings of these publications into these languages for the jw.org Web site. We rejoice to see the good news spread to the different language groups in our territory.

Be assured of our warm Christian love.

Your brothers,

Christian Congregation of Jehovah's Witnesses

(Note to elders: Please have this announced at the first service meeting after it is received. Thank you.)
