TO ALL CONGREGATIONS IN ACCRA, TEMA AND KUMASI AREA

Dear Brothers:

To make it possible for any interested persons who are Chinese-speaking to benefit from the upcoming Memorial of Christ's death on April 14, 2014, arrangements been made for the Memorial program to be interpreted into Chinese. The two congregations selected are the Tema North Congregation in Tema and Atasomanso English Congregation in Kumasi. This means that Chinese-speaking persons living in your territories would have the opportunity to benefit fully from the Memorial program.

We are by this letter encouraging you to direct all interested persons who speak Chinese to attend the Memorial at these locations. It will be very much appreciated if you can assist these ones to locate the addresses listed below.

Please accept our warm Christian greetings and best wishes.

Your brothers,
Christian Congregation of Jehovah's Witnesses
