Re: Annual general meeting reminder for congregations registered as charities in England and Wales

Dear Brothers:

All congregations in England and Wales that are registered as charities should have their annual general meeting (required by the Charities Act 2011) as part of the Service Meeting for the week of June 2, 2014, using the *Local needs* item. The Trustees Report for the year ending March 31, 2014, should be read to the congregation by an elder. The secretary needs to refer to our letter TAB November 5, 2008, for directions on this.

Thank you for your hard work in caring for these matters.

Your brothers,

*Watch Tower B. & J. Society*
