TO ALL BODIES OF ELDERS OF TWI-LANGUAGE CONGREGATIONS

Re: Clarification of May 9, 2014, Letter

Dear Brothers:

The information in the Twi copy of the letter mentioned above could give the impression that there will be only one congregation meeting during the week of the visit of the circuit overseer after September 1, 2014. However, we would like to correct that impression. There will be only one mid-week meeting during that week. The second meeting which would usual be held on Thursday or Friday has been cancelled. Please note that there will be two meetings during that week—one midweek meeting and the usual Public Meeting and *Watchtower* Study on the weekend.

Be assured of our warm Christian love.

Your brothers,

*Christian Congregation of Jehovah's Witnesses*

PS to coordinator of body of elders: There is a revised copy of this letter on the [jw.org](http://jw.org) Web site. Congregations that have already read the letter should arrange to clarify this point during the next Service Meeting.
