Re: Resolutions to Kingdom Hall and Assembly Hall Construction Worldwide

Dear Brothers:

In connection with our letter of March 29, 2014, to all congregations regarding financing Kingdom Hall and Assembly Hall construction worldwide, we are writing to notify you of adjustments made to the Funds Transfer feature of *jw.org*. Effective immediately, resolutions made to finance Kingdom Halls and Assembly Halls should be entered on the line **“Kingdom Hall and Assembly Hall Construction Worldwide (Resolution).”** In harmony with the guidelines provided in the above referenced letter, you will note that the Kingdom Hall Construction Worldwide and Kingdom Hall Loan Payment lines are no longer available.

For congregations who are currently not using the Funds Transfer feature of *jw.org*, a quantity of revised *Contribution Remittance Forms (S-20)* which has a line for **‘Kingdom Hall and Assembly Hall Construction Worldwide’** is being consigned. In addition, you will find copies of a revised *Monthly Congregation Accounts Report (S-30)* forms. However, any additional copies for future use will have to be requested by the congregation. We trust the above information will be helpful to you as you send your contributions to support the building of Kingdom Halls and Assembly Halls worldwide.

Please be assured of our warm Christian love and best wishes.

Your brothers

*Christian Congregation  
of Jehovah's Witnesses*
