Re: Video promoting jw.org

Dear Brothers:

During the month of August, we will distribute the tract *Where Can We Find Answers to Life's Big Questions?* This tract encourages the reader to visit jw.org. In preparation for the campaign, a video entitled *Using JW.ORG to Spread the Bible's Message* will be posted on jw.org the last week of July. It will be available in almost 130 languages. We encourage you to view this video and to discuss with others in your congregation ways in which you could use jw.org to spread the Bible's message.

We pray that this video will help make the month of August the greatest witnessing month ever. (Acts 20:20, 21) Please accept an expression of our warm Christian love.

Your brothers,

Testigos Cristianos de Jehová

c: Traveling overseers

PS to coordinator of the body of elders:

Please arrange for this letter to be read to the congregation **at the Service Meeting the week of July 14, 2014**, by the brother assigned to handle the part "Get Ready for the Special Campaign in August." Congregations attending a convention or a circuit event that week should have the letter read the following week.

The February 3, 2014, letter to all bodies of elders regarding the aforementioned campaign directed that key points from that letter be discussed at the next quarterly elders' meeting. If that has not yet been done, please arrange for the elders to review the letter together as soon as possible.
