TO ALL BODIES OF ELDERS

Re: November 15, 2014, Issue of *The Watchtower*—Question From Readers

Dear Brothers:

The letter of April 22, 2014 from the Governing Body, informed us of the adjustment in the process for appointing elders and ministerial servants. The letter also stated: “Additional information will appear in the November 15, 2014, issue of *The Watchtower*.”

As this article will not appear in the vernacular issues, we have produced it as a pdf which you may wish to download and print for your own reference. Please find it attached. We encourage you to study and meditate on this article, which supplies scriptural reasons for the change, along with the letter of July 13, 2014, to all bodies of elders, which provides further direction on how to implement the change in the congregations.

Thank you for taking note of these important developments and for your ongoing loyal support of Kingdom rule.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*
