TO ALL CONGREGATIONS

Re: Branch relocation project

Dear Brothers:

We are all now looking forward to sharing in the preparation work for our new branch relocation. In this regard, here are three vital aspects to consider.

Psalm 127:1 reminds us: “Unless Jehovah builds the house, it is in vain that its builders work hard on it.” Your **prayers** to our loving Father will ensure that each of us keeps uppermost in mind the importance of Jehovah’s blessing on the success of our project.

We have already received many Temporary Volunteer forms indicating your availability and skills and if you have not yet turned in an application, and if your circumstances permit, we encourage you to do so. We will shortly be communicating with you further about how **volunteers** can assist with the project.

An immediate need relates to the **financial resources** we are able to count on. Recently, all congregations surveyed the expected contributions to be made for Kingdom Hall and Assembly Hall construction. We are very grateful for the abundant generosity that you have shown in this regard. For our branch relocation project, we are planning carefully to ensure that our construction work is cost-effective. (Luke 14:28, 29) To help us determine how much financial support you will be able to donate to this project over and above any amounts you have previously determined, we kindly ask you to complete the financial survey slip that will be handed out. This can be filled in anonymously. Please indicate what lump sum and/or a monthly amount you can contribute. After completing the slip, please place it promptly in the contribution box.

All contributions for this project should be made to the worldwide work. If you wish to know how to make payments to the worldwide work using methods other than the contribution box at the Kingdom Hall, please see your congregation secretary.

We join with you in seeking Jehovah’s direction and support for this important step forward in the Kingdom work in Britain.—**Read Exodus 35:21.**

Your brothers,
