Re: Change in arrangement for supplying the *Yeartext* banners

Dear Brothers:

For many years, the branch office has been supplying a *Yeartext* banner to congregations, many of whom have expressed appreciation for this provision.

The development of the jw.org website has made the artwork for this item readily available for downloading and printing locally. For this reason, we are discontinuing the supply of the printed banners to the congregations, starting January 2015.

For congregations interested in obtaining a printed *Yeartext* banner, an arrangement has been made with a commercial company with details posted under *Supplier Arrangements* on jw.org. A typical banner will cost between £5 to £12 in Britain including postage and packing, depending on quantities and languages requested. Orders will need to be placed **no later than September 28, 2014**. This will allow the supplier enough time to compile the orders, in all the available languages, so that the banners can be produced and dispatched to arrive by mid-December at the latest. Congregations may also choose alternative companies for printing.

You will be interested to know that from now on, the banner will be text only, with no background picture. If you want to print the banner locally, the file will be available to download from jw.org sometime in October.

We appreciate your cooperation with this adjustment and assure you of our warm Christian love.

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*

P.S.: Please note that all existing orders placed by congregations will be cancelled.
