Re: Copyright permission letter for printing artwork for public witnessing

Dear Brothers:

Due to a recent adjustment in the arrangement for printing artwork for public witnessing, congregations will need to print artwork through a provider of their choice. A number of providers are requesting a letter granting them permission to print artwork that is copyrighted. Attached is a copyright permission letter for printing artwork for public witnessing. Links to the permission letter will also be available under “Artwork for Public Witnessing” in the “Forms” section of jw.org.

We send our warm Christian love.

Your brothers,

*Christian Congregation
