TO SELECTED CONGREGATIONS IN THE UNITED STATES BRANCH TERRITORY

Re: Special preaching campaign in Israel

Dear Brothers,

We are writing to inform you that the Service Committee of the Governing Body has approved a special preaching campaign in Israel, which is planned for February to April 2015. Similar campaigns in other countries have been a resounding success, and we know that with Jehovah's blessing, the campaign in Israel will also be successful.

English and Hebrew-speaking publishers living in various parts of the United States and Europe are being invited to join this campaign for a minimum of two weeks. There is much to do in the Hebrew field, and most Hebrew-speaking people in Israel speak and understand English. There are several cities in Israel with large areas of untouched territory. Some have not been worked for many years. Our desire, with your assistance, is to help the local congregation in covering these territories. – Luke 4:43.

Please prayerfully consider whether you are able to participate in this campaign. If so, we warmly encourage you to submit an application through your Congregation Service Committee **no later than October 20, 2014**. All publishers who speak Hebrew fluently are especially invited to apply. Since Israel is relatively crime-free, single sisters could apply if they have a qualified sister to partner with.

Keep in mind that since very few publishers live in the areas of need, it will not always be possible to stay in the homes of brothers. Thus, you will likely need to secure and pay for your own accommodations. The local brothers will do what they can to ensure that everyone feels welcome and will be able to focus on their ministry.

We send our warm Christian love.

Your brothers,
