Re: Assemblies in languages other than English—Spring 2015

Dear Brother:

Please find below the schedule of assemblies in languages other than English for the spring of 2015. Please advise the publishers accordingly and place this information on the congregation noticeboard so that publishers are able to make arrangements to attend if they desire to do so.

As a reminder from January 1, 2015, all the start times of circuit assemblies held in Britain and Ireland have been unified. Therefore, the start time for the circuit assembly with the branch representative (BR) is 9:40 a.m. and for the circuit assembly with the circuit overseer (CO) it is 9:30 a.m.

We hope this information proves to be of some value and take this opportunity to send our warm Christian love.

Your brothers,
