Re: Invitations to study the Bible

Dear Brothers:

The letter dated September 13, 2014, to all congregations announced a new invitation that has been produced for use in the field ministry. However, we still have a sizeable quantity of the current congregation meeting invitation (*sf*) in stock. It is expected that the remaining stock will be depleted before the new invitations (*inv*) are consigned to congregations. For this reason, you will first receive a consignment of the current congregation meeting invitation (*sf*). After they are used up, congregations will receive a consignment of the new invitations (*inv*) as mentioned in the post-script of the letter referenced above.

We send our warm Christian love.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*
