To All Bodies of Elders in [REDACTED] Circuit

Re: Disfellowshipped ones who have returned.

Dear Brothers

All circuit overseers have been asked to submit the names of one or two individuals who were disfellowshipped in the past but have returned and are doing well now. Below is part of the letter I have received from the branch:

“Particularly, we would like to hear of those who openly express their confidence that the disfellowshipping arrangement is loving, and that they have personally benefited from this discipline. Preferably, the experience should illustrate the points in the second, third and fourth paragraphs in the online article “Do Jehovah’s Witnesses Shun Those Who Used to Belong to Their Religion?” (<https://www.jw.org/en/jehovahs-witnesses/faq/shunning/>) The experience does not need to be a recent one. However, please only submit experiences of those who are still doing well spiritually.”

There is no need to contact the persons you have in mind at this stage.
If you can help with this, I would ask you to respond urgently as I must send details before April 24th 2020.

Your brother [REDACTED] - [REDACTED] Circuit
